## About Adichunchanagiri University

The University consists of six Constituent colleges in the disciplines of Medicine, Pharmacy, Nursing, Engineering, Management, Commerce and Education. The environment-friendly campus has adequate infrastructure and physical facilities for Academics and Research. The campus possesses around 5000 students, 400 teachers and 1800 support staff.

## About Adichunchanagiri Institute for Molecular Medicine

Adichunchanagiri Institute for Molecular Medicine (AIMM), focuses on fundamental research to unravel the molecular, genetic, and cellular mechanism underlying cancer development, progression and metastasis. This includes understanding the role of oncogenes and tumor suppressor genes, identifying cancer related protooncogenes and exploring the molecular signaling pathway to enumerate aberrantly overexpressed tumor oncogenic pathways and to investigate the tumor microenvironment. We aim to bridge the gap between basic research and clinical application by developing novel drug leads and identifying novel biomarkers.

## About Chemical Biology Society, India

Chemical Biology Society (CBS), INDIA was formed in the year 2013 by the then Director of CSIR- Indian Institute of Chemical Biology (IICB), Professor Siddhartha Roy. Prof. Roy served as the first President of CBS India.

In 1982, the term 'Chemical Biology' was first coined in Kolkata and a biomedical institute was rechristened as Indian Institute of Chemical Biology (IICB). The Institute was established in 1935 as the first non-official centre in India for biomedical research and was included within the aegis of CSIR in 1956.

Since then research on chemical biology has been done in many institute and Universities across India. Chemical Biology is a special kind of study that combines different subjects and predominantly very important in the world today, especially in probing new biological pathways and development of therapeutics.

## **CURRENT TRENDS IN DRUG DISCOVERY TECHNIQUES AND DIAGNOSTICS : CHEMICAL BIOLOGY APPROACHES**

Divine Blessings of

**Paramapoojya Jagadguru**

**Sri Sri Sri Dr. Balagangadharanatha Mahaswamiji**

In the Divine Presence of

**Paramapoojya Jagadguru**

**Sri Sri Sri Dr. Nirmalanandanatha Mahaswamiji**

Hon'ble Chancellor, Adichunchanagiri University  
President, Sri Adichunchanagiri Shikshana Trust (R)

Chief Guest

**Prof. Tej Pal Singh**

President, Chemical Biology Society, India  
SERB Distinguished Fellow  
Dept. of Biophysics, AIIMS, New Delhi

Guest of Honour

**Prof. Siddhartha Roy**

Founder President,  
Chemical Biology Society,  
India

**Prof. K.S.Rangappa**

Vice-President,  
Chemical Biology Society,  
India

**Prof. Tapas K Kundu**

Former President  
Chemical Biology Society,  
India

Presided by:

**Prof. Dr. M.A. Shekar**

Hon'ble Vice-Chancellor  
Adichunchanagiri University

In the Presence of:

**Dr. Arindam Talukdar**

CSIR-IICB, Secretary, CBS(I)

**Dr. Shobith Rangappa**

Director, AIMM

**Dr. C.K. Subbaraya**

Registrar, ACU

**Dr. M.G. Shivaramu**

Principal, AIMS

**Dr. Prashantha Kalappa**

Dean Research, ACU
